- Partners who enroll new Partners on their first level in September and October will qualify for 40% commission on product volume during their Rapid Rewards period.
- Partners who upgrade Customers to Partners during their Rapid Rewards qualification period will qualify for 40% commission on product volume for orders after the upgrade date.
- Increased Rapid Rewards payments is available for a Partner's personal enrollments or upgrades of Customers on their first level.
- The Double Rapid Rewards bonus will be paid after each month is officially closed.
- Partners must have at least 120 PV within the current month of September and October to be eligible for the Double Rapid Rewards promo.
- Regular rules apply for Rapid Rewards for Customer enrollments.
- Double Rapid Reward bonuses will not roll up to the next qualified Partner if the 120 PV qualification is not met.

FAQs

Q: What if I have a Customer who signed up and ordered at the beginning of September and then upgraded the following week?

A: If they are still within their first calendar month, they will still count as eligible for you to receive the Double Rapid Rewards if they place a new order after upgrading.
